

MID-MEMPHIS NEIGHBORHOOD ASSOCIATION

Who We Are

Your neighbors, customers, friends, who have joined together to form the Mid-Memphis Neighborhood Association . . . a non-profit organization . . . to maintain this area as a stable, desirable residential neighborhood. We were founded in 1969 as the Mid-Memphis Improvement Association (MMIA) . . . to represent neighborhood interests, both residential and commercial. We encourage neighborhood business in existing commercial areas, and resist encroachments upon properties in currently zoned residential areas. We are workers in the daily preservation of the architecture, the trees and gardens, the unique qualities of our neighborhood.

What We Are

We are a non-profit organization, but we have family, single, and commercial memberships. Our modest dues help pay for neighborhood newsletters, land use surveys, historical surveys, community promotions that work to the good of the neighborhood as a whole. We are not a group that endorses or opposes those running or holding political office . . . but we do take positions on political issues that affect the livability and viability of the neighborhood.

Where We Are

Our map shows that a few exceptions we go from Watkins east to East Parkway, and from North Parkway south to Madison. We are in the heart of Memphis, near the financial, governmental, and medical districts, yet green with parks, shady streets, and major access to all parts of the Metropolitan area.

Grow With Us

Join our organization . . . come to the meetings and find out about the things affecting our property, our businesses, our schools, our transportation, our recreation areas. Join your neighbors in protecting our residential and commercial values . . . in maintaining the historic and vital lifebeat of our neighborhood . . . and in revitalizing the areas that need our help and support. We have fun, we get a lot done, and we'd like to work with you. There's a membership blank in this brochure.
